You know that wonderful, warm-fuzzy feeling that comes over you when someone goes out of the way to make you a better person, assist you, treat you, welcome you, bless you, support you or help you out? Of course **MIBM** The feeling is gratitude, and it feels even better when you express it! Thanks again. Thank you very much for the generous gift. It was greatly appreciated and will assist me in being one of the most comfortable students on campus. As I step into this new phase of my life, I am excited about what this college and the professors have done for me, and I am looking forward to make everyone proud of me.

I felt **MIBM** is my second home. Whole 5 years of excursion from ISB&M SOT to PGDM is unforgettable. I completed my graduation from ISB&M SOT and took admission in PGDM. Furthermore, my excursion started when I joined PRIVI ORGANICS as a Supply Chain management intern and got an astonishing exposure to multidimensional learning . It help me to pick up certainty and get placed in TDK group. Everything happened due to ISB&M and best staff of **MIBM**. It was extraordinary learning introduction to me and gratitude to **MIBM** for offering me such an incredible chance to develop.
